To augment his own party is not what of the prophet-politician to weld the reli-giously and dialectically heterogeneous India into the harmonious, articulate whole in the common bond of brotherhood by himself. "The Indian Christ", as he is sometimes dubbed, assumes responsibility him, though he is no means accountable for the particular blame. In connection with Chauri-Chaura incidentcase of violence used by Indians since the inception of "Non-co-operation"—"in which a number of British policemen were massacred by Indians, which Gandhi himsel took as a terrible warning from God that India was not yet spiritually prepared for he did not hesitate to widespread his repentance of his initiation, he was accuse essily established that the atrocity was perpetrated by those over whom if any, Ganchi readily pleaded guilty.

He went so far as to say to the presid-

Judge is either to resign your post or flict on me the severest penalty." the middle of which term he was released on account of illness.

life possible. He often tasts. He subjected himself to a five-day fast as a self-imposed incident. He does not take more than five articles at meal, not excluding water and
